April 30, 2018

Hello Bulldog Family,

The Poland Local District has announced starting and ending times for the school day for the 2018-2019 school year. The times are just for the instructional day (school day), bus schedules and drop off times will be announced at a later date. The district wanted to announce starting and ending times for the school day as early as possible, so families can plan ahead. These times ensure there is no disruption to student learning and safety, which are top priorities in the district.

Instructional Times for Poland Local Schools

Poland Seminary High School (9-12) **7:45 a.m. - 2:39 p.m.**
Poland Middle School (6-8) **7:45 a.m. - 2:39 p.m.**

McKinley Elementary (3-5) **8:30 a.m. - 3:24 p.m.**
Union Elementary (K-2) **8:30 a.m. - 3:24 p.m.**

The district is still working on the busing schedule and drop off and pick up times for the 2018-2019 school year. As soon as these schedules are finalized, we will let you know.

The Poland Local School District wants to thank our parents for their patience, as the district continues to realign its buildings.

Sincerely,

David Janoffa, Superintendent
Poland Local Schools
