Student's name

To be read and signed by parents or guardians of students who are under 18 years of age:

As the parent or legal guardian of the above student, I have read, understand, and agree that child or ward shall comply with the terms of Poland Local Schools' **Acceptable Use and Internet Safety Policy** for the student's access to the School District's computer network and the Internet. Further, I accept full responsibility for supervision of my child's or ward's use of his/her access account if and when such access is not in the School setting. I hereby give permission for my child or ward to use the School-approved account to access the School District's computer network and the Internet.
