A little bit about us...

Poland Players, like all clubs of Poland Seminary High School, are a self sustaining organization. All expenses incurred for our productions are financed from the proceeds of ticket sales, program advertisements and the occasional donation. We have sponsored one fundraiser in the past 10 years. Royalties and performance materials (scripts and music) alone can total thousands of dollars, particularly when performing a musical.

As a “spend only what WE earn” organization we have learned to be creative when staging a production. We enjoy the generosity of local businesses, particularly Habitat for Humanity’s Restore, who frequently loan us furniture and accessories.

Donations of items are gratefully accepted and are used as is or fashioned into something else we may need. Any items we no longer can find a use for, or simply have no room to store, we donate to charity.

Poland Players thank all of you for your support. We will continue our efforts to grow our program as we live within our means, so that we may continue to entertain you!

Director's Notes

Through the years of ever changing membership, the one constant has been the passion and dedication of The Poland Players. Add unbridled enthusiasm, and that describes the cast and crew of "Popstars! The 90's Musical". From the moment I revealed this show, there has been excitement about it. With every new song, every new dance the kids have eagerly rehearsed. Repeatedly, when asked if they should rehearse something "one more time", they always said YES! They worked together, their smiles were ever present, they were clearly having fun with the goal of giving the best of their skills. The cast has always been reminded that when the audience sees them having fun, they too will have fun. With so much positive energy emanating from the performers, it's hoped that you, our audience, have a very enjoyable experience.

Your ongoing support of The Poland Players is appreciated beyond measure. As much fun as is had during rehearsals, the real joy comes from your laughter and applause. Having the seats filled with an engaged and responsive audience enjoying the performance, is the payoff for the hours, days, months of rehearsals.

I am inexplicably grateful to the students for their talent and hard work. And to you, our audience, for your enthusiastic support. For those who experienced the music of the 90's first hand, I hope "Popstars! The 90's Musical" rekindles happy memories. For everyone, I hope tonight's performance will become a memory of another entertaining evening with The Poland Players. Thank you for coming!

Enjoy the show,
